

THE INCLUSION SUPPORT PROGRAM OUTCOMES MEASUREMENT PROJECT, PHASE 2: A QUICK GUIDE FOR SERVICES

In this project we want to hear from you about your experiences of the *Inclusion Support Program*. This is why **we are inviting you to complete a survey**. What you tell us through the survey will help us understand the best ways of supporting inclusive practice in early and middle childhood services across Australia. This document is a quick guide for the steps involved in participating in this project.

1. YOUR SURVEY LINK

The first step is to get your survey link and information pack. If you completed the first survey in 2018 and gave us your email address for the second survey, then please check your email. Your link and information pack will come in an email from kathy.cologon@mq.edu.au. If you did not complete the survey in 2018, if you have not received an email, or if you have a new email address, please REGISTER your interest in the study by going to the Phase 2 Survey Registration Page:

https://mq.edu.qualtrics.com/jfe/form/SV_2izKsHsgDmCpJeB

The information pack includes an invitation, overview of the project, and a short video.

2. CHOOSE WHETHER YOU WANT TO PARTICIPATE

Once you have received your information pack, please think about the information provided and decide if you want to participate.

You can use this survey link that we send you to start and stop the survey as many times as you need during the data collection period from the 15th July to the 15th November, 2019.

3. ANSWER THE SURVEY QUESTIONS

If you choose to take part, you need to **complete the survey**.

The survey has some short answer questions where you write your answer, as well as statements where you need to choose a level of agreement or disagreement. There are no 'right' or 'wrong' answers, just give the answer that comes into your head.

If you would like support, please ask your Inclusion Professional. If you have any further questions please email us at: InclusionResearchProject@gmail.com. We will monitor the project email address throughout the data collection period from the 15th July to the 15th November, 2019.

4. DOWNLOAD A COPY OF YOUR COMPLETED SURVEY

When you have completed the survey please download a copy of your completed survey. You can also choose if you want to enter the PRIZE DRAW.

It would be helpful if you could let your Inclusion Professional know when you have completed the survey.

Your participation in the survey is voluntary. No one will be identified in the analysis and reporting. All information and feedback you provide will be treated as private and confidential.
THANK YOU! We value and appreciate you taking the time to share your experiences and perspectives with us.
