

How to clear the cache in your web browser – Google Chrome

1. On your computer, open Chrome.
2. On your browser toolbar, click More  > **More Tools** > **Clear Browsing Data**.
3. In the "Clear browsing data" box, click the checkboxes for **Cookies and other site data** and **Cached images and files**.
4. Use the menu at the top to select the amount of data that you want to delete. Choose **beginning of time** to delete everything.
5. Click **Clear browsing data**.
